SCHOLARLY ACTIVITY

Book Chapter – In Editing

Technology and Neuropsychology: Tools for Teaching, Testing, and Treating in the 21st Century (Oxford University Press)

- Chapter 14 Author: “Technologies to Improve Feedback”

Peer-Reviewed Articles – In Preparation

- *Atypical Presentation of Pediatric Onset Neuropsychiatric Syndrome (PANS) in a 17-Year-Old Male*
 - OHSU IRB STUDY00027017
- *Facilitators and Barriers to Adopting Technology in Neuropsychology*
 - OHSU IRB STUDY00027559
 - Methods: Survey (Oct 2024 – Feb 2025), analyzed using descriptive statistics and NLP topic modeling (NMF, Biterm Topic Model)

Conference Poster Presentations

- *Disruptive Technology Initiative Survey: Facilitators and Barriers to Adopting Technology in Neuropsychology*
Marchman, T., Wolff, B., Ball, A., & Bilder, R.
Poster presented at the National Academy of Neuropsychology (NAN) Annual Conference, 2025
- *A Systematic Approach to Spanish Neuropsychological Evaluation: Case Report with a Mexican Woman in an Outpatient Setting*
Rivera, P., Savage, K., & Ball, A.
Poster presented at the Hispanic Neuropsychological Society, Feb 2019

Research Assistant, East Carolina University, Greenville, NC

Spring 2005

- Assisted Dr. Beverly Harju in research on cultural differences in student goal setting
- Analyzed intrinsic/mastery vs. extrinsic goal orientations and their impact on academic performance
